

GARY REPORT

The Battle Continues

In the January 10 "Gary Report" we noted that some Christian pastors in Nairobi not only wanted to stop the Bride work, but also sought to kill us. The outcome of this is that five pastors were convicted in a Nairobi court of these crimes and each sentenced to six years in jail.

Afterwards, with the murder of his father and wife and the stealing away of two of his children, our attorney, Tom Mwaboza, was going to have to go into hiding because of threats against him. But tragedy was not to end there. On the night before he was to leave, Tom died in his sleep in his hotel. An autopsy concluded that he died of a heart attack. This was most tragic and disturbing, particularly for Caleb, and he had to return to Nairobi and take care of Tom's funeral arrangements. But Yahweh did not let our progress stop there.

We were very concerned for Caleb's safety, and gratefully while at the hospital he was talking with a police officer about all of this, and this officer, who is also a constable, took personal responsibility for him during every moment he was there. Furthermore, Caleb was introduced to an attorney, Raymond Ochwuati, who was a personal friend of Tom's, and Raymond took up the case where Tom had left off. In addition, there was contact with the Director of the Criminal Investigation Department (CID) of Nairobi, and they were already conducting a thorough investigation of all of this. So it was not just our lawyers who were active in this, but the Kenya CID as well. Thereupon, charges were brought against six more pastors who were seeking harm against us and even seeking our deaths! These six are: Wafula John, Kibaki Ochieng, Angila Ojwang, Moses Gichueru, Kaluki John, and Rebecca Ochieng. And to help you to understand how corrupted and perverted these people are, here is the first email of three that Rebecca Ochieng sent me, this one on January 12:

Gary, you have used Caleb to be your agent of recruiting people to the devil worshipping church.

I am told Caleb offered many people as sacrifice[s] and the resent is Tom.

Please, we are aware that Caleb is coming to organize burial of Tom whom he killed.

We are going to catch Caleb and we must kill him too.

We know it well is going to sleep in Nairobi in another unite of him, and the pastor who was to give him a ride can't dare do that. We are going to punish him [as well].

Gary, you were lucky to escape our arrest, but, next we will send you to the grave if you come back.

Caleb will not come back to Rongo alive.

And with this she added a second email that was equally threatening. Needless to say, the lawyers and the CID were glad to receive these emails so as to prove their evil, evil

intent and actions. All Rebecca did was to bring these people further and further into the light. And with her name, Rebecca, I can't help but think of what Rebekah in the Bible stated when Joseph feared that he would receive a curse rather than a blessing. She thereupon declared: "Your curse be on me" (Genesis 27:13). The curse these people designed to fall on us, is in fact coming upon Rebecca and the company of these evildoers with her. And think about it—these are Christians, even pastors, who are seeking to kill us! This "Rebekah" outcome reminds me of the Jews in Matthew 27:25 who likewise declared: "His blood shall be on us and on our children!"

And by the way, Caleb did indeed return back to Rongo alive. And may I add, just before he went to Nairobi to take care of these matters regarding Tom, he taught eight hundred other pastors and church leaders in Nakuru, which is on the way to Nairobi from Rongo. And for further good news, the two children of Tom who were stolen away were found and returned to be with their siblings. Let me explain the details of this.

When I was in Africa three years ago, one of the teachings I held was south of Rongo, very near the Tanzania border. It has always been a most memorable meeting, and is even moreso now. Several women attended that meeting, and one of those lives in Sirari, Tanzania, where recently she observed two children who looked scared, unkempt, and hungry. She went up to them and enquired about them, and found out that they had been stolen away from their parents. The lady wanted to take them home and give them something to eat, but was afraid that she would be accused of being a part of their theft and therefore took them directly to the police station. With further information gained, they contacted Caleb and he immediately sent Jacob, his brother, to go get them. They were Tom's children. The two have now been restored to their siblings, something for which Tom would be most grateful! Yahweh God provided good for us when these jealous and greedy people devised evil.

And with additional good news, lawyer Raymond has advised that five of these six evil people are arrested and behind bars, awaiting their trial which is to be held in Kisi, not far from Rongo. The sixth person is in hiding. Additionally, prior to this time, Raymond had never heard anything about the Bride, so he took time to go to the website and read about it. He thereupon realized what Christianity is, and related it this way to me. He said that Christianity is like a rotten egg—pretty on the outside, but rotten on the inside. We are definitely seeing this evidenced in Africa right now. And why should we be so surprised? The Jews received the kingdom too early as well, just as did Christians. And what did Yahshua say concerning the Jews? The same as what Raymond concluded with the rotten egg: "Woe to you, scribes and Pharisees, hypocrites! For you are like whitewashed tombs which on the outside appear beautiful, but inside they are full of dead men's bones and all uncleanness. So you, too, outwardly appear righteous to men, but inwardly you are full of hypocrisy and lawlessness" (Matthew 23:27-28).

Again, both of these works received the kingdom too early, before the Millennial Reign of Immanuel, and as flesh men and without the King, both works have corrupted the kingdom! I ask, what more could be expected? In this regard, there is no difference between the Jews and Christians, and their cause of this failure is the same—THE FLESH—receiving the kingdom, even the Garden, while in corrupted and blind flesh

bodies! It is just that simple. The flesh always corrupts the kingdom! And you see this being vividly evidenced in Africa! Out of selfish greed and lust, these Christian pastors call good evil and evil good. But, this has got to come to an end, even as it is time for Satan's two-thousand-swine work to come to an end.

The question then is: Is Satan and death and violence and ignorance going to continue to prevail over mankind and the kingdom; or, has that period come to an end and the enemy of all mankind will now come to be judged? It seems that the Bride work in Africa is living that question out right now, and this could well be what this conflict is all about. There is even more I could share about this, but what we are seeing evidenced in Africa right now is a hopeful type of the bigger picture of the battle with Satan for the kingdom. For the kingdom's sake, and for the Bride's sake in Africa, we desperately need victory and light so that that which is in darkness will come to light, and our promised victory will soon burst forth.

Why can we today now hope for something different from what has been going on for two and even six thousand years? Because this is the third-part [Shelah/Siloam period of the church](#) where men's eyes can finally be opened, preparing the way for Immanuel. It is all a matter of timing. For six thousand years flesh man, even with the kingdom, has failed! And our only hope is that a "Mary" work can be formed—the Bride, who will birth Immanuel back to this earth and He will rule and reign in His kingdom. The patriarchs failed, the Israelites/Jews failed, the first Remnant was cut short, and even the Body of Christ has failed! And they all had one thing in common—they were all too early, and remained in this flesh until death! Only now in the seventh day, the seventh millennial period, can the sabbath rest be fulfilled. Today, a bride must be formed, even completed, and be caught up into heaven and there be transformed into immortal, born-from-above beings—and return to rule and reign with Immanuel for a thousand years. This is our hope today!

More is to follow on the outcome of this trial and other matters. But until then, these court battles and filings and etcetera come with costs. Please, we need your financial help as we traverse this.

Blessings,

Gary
