

GARY REPORT

The Corruption Of A Nation

In the last "Gary Report" I spoke about the kingdom of heaven and how it was corrupted first by Eve eating from the tree of the knowledge of good and evil, and then by Adam doing the same upon Eve handing the fruit to him. And most importantly, the Garden was a seed testimony of what would happen in the kingdom of heaven given to man—the church. In this report, we want to take a closer look at what this has meant for America, specifically since the Curse of 1920, and what would be its final outcome if that curse is not reversed. And there is every reason to choose America in this examination, for at the nations level it is indeed the kingdom of heaven. And, what happens to the kingdom of heaven is happening to America. What happened in the Garden, is happening to America. In *The Curse of 1920*, pages 32-33, we read:

"America" actually means "kingdom of heaven." "Amel" is Old Gothic for "heaven." "Ric" means "kingdom," as in Germany's Third Reich. These are evidenced in the German word, Himmelreich, which equally means "kingdom of heaven." The "a" makes it feminine. Thus by its very name, America is the "heavenly kingdom," or the kingdom of heaven.

So, how is America being corrupted by the like acts and manner of Eve and Adam? Just as the Garden was corrupted first by Eve eating from the tree of the knowledge of good and evil and then gave the fruit to the man Adam who ate of it, so the wholly corrupting effects of the Women's Rights Movement was ordered by women, and men then ate from it as well. That which has been is that which will be, and just as the Garden was corrupted, so has our nation been corrupted. Let's take a look back in history and note the departure of America from vital masculine headship. And what we will address here is our nation's functionality in governing.

But before we do so, let me note in advance that what I will share here is in regard to women who embrace feminism as a right of passage for all women to be like or equal to the man in any and all aspects. Gratefully however, not all women fall prey to Satan's deception concerning feminism, and seek instead to be godly wives and mothers. And some women are completely unaware of the disaster that is at hand in this departure. So what I am doing here is addressing the wholly destructive problem, though mindful that among women there is equally a remnant, daughters of Sarah (1 Peter 3:5-6), who see this grave ill and rejoice that it is being exposed. To you ladies, we are most grateful for you and rejoice and delight in your godly example. May you be greatly rewarded.

Prior to the Curse of 1920 when women obtained the right to vote, the conflict of the two-party system has always been competitive. But in my assessment of history, by and large the two parties have worked together for the good of the country. This has been evident in the earlier years of my own observation in life. But, in recent years the divide between the two parties has become greater and greater, and specifically because of the radicalization of the Democratic Party. And most important to understand, just

as in the Garden there was male and female, so in American politics these same two identities exist. Without question the Republicans are masculine, and the Democrats are feminine. Again, this is the design and ways of Yahweh, His governmental order being evidenced in the beginning in the Garden.

So what do we see in the Garden of American politics today? In 1 Timothy 2:14 we clearly see what is taking place. We read: “And it was not Adam who was deceived, but the woman being thoroughly deceived, fell into transgression.” This is exactly what we are seeing today in our American political system regarding masculine Republicans and feminine Democrats. And let me point out, just as the ills of feminism are ignored, so it is with the translation of this verse. Most translations dismiss the actual translation of this word “deceived.” In actuality, the preposition with which the Greek verb is compounded conveys the idea of completeness or thoroughness. Thus, Eve was completely and thoroughly deceived, but Adam was not deceived.

And such it is in America. It is completely and thoroughly deceived regarding the great error of feminism—the woman eating from the tree of the knowledge of good and evil. So, do you really want women in government in a nation that represents the kingdom of heaven at the nations level? Guaranteed, there will be the same results—complete and thorough deception leading to the loss of the Garden! But sadly, as in the Garden this was to be—and so are the like consequences! And those destructive and deceptive consequences are never more evident than today.

Today, Democrats are blindly opposed to that which is good simply for the preservation of one thing—power! And with unbounded lies and deceit they (along with the complicity of the media) vigilantly seek to keep their power. And consistent with the feminine, they run on emotions and not facts or truth. Unfortunately, the weed of feminism that took root in the Curse of 1920 has come to full bloom! But also, it seems that Yahweh God is bringing front and center this rebellion and is hopefully about to judge it! It is most fitting and revealing that the last election was between a man’s man and a woman’s woman. Donald Trump is distinctly masculine, and Hillary Clinton is distinctly deceptive and power-driven feminine. She is a Jezebel, and will do anything to get her way. The election was a Jehu and Jezebel contest, and Jehu won. Again, this is masculine against feminine—whether it be Trump and Hillary, or the man and the woman.

So why is this set up this way at this time? If I am right in discerning the time, this contest at the nations level is a testimony of what is upon us regarding the contest within the kingdom of God—again, the masculine and the feminine. Women today are in truth trying to take the “kingdom” by force. Instead of occupying their place as wives and mothers, they want to stand in the place of the man—in work, in governance, in practices, and in appearance. Like the angels in Jude 1:6, women have not kept their own domain, “but abandoned their proper abode.” For the first time in history, women are wholesale seeking to be like the man and rule. They want equality. And not only will they fail, but as in the Garden their efforts are entirely destructive! And shamefully, the man, like Adam, is taking the fruit from the woman’s hand and eating it as well. Shame on men for doing so! “Because you have listened to the voice of your woman,” Shame on you, men!

And let us look at this relative to the Kingdom. At the nations level, women actually want to be the fulfillment of the Bride. Unknowingly, natural man seeks to fulfill what the kingdom of heaven alone can fulfill, encompassing all of the factors of the heavenly goal, but at the natural realm. It is man trying to build his own tower of Babel that reaches up to heaven, and he will get the same outcome—destruction! To help you understand this, man established the United Nations. But do they really unite all nations? Of course not, falling far short of the fulfillment that can only come from Immanuel. Another example is the matter of the Bride who will rule and reign with Immanuel. As addressed already, women abandon their place as wives and mothers and seek the place of the man, including wearing his pants; and therein all they do is corrupt the nation with their lawless acts. Yahweh is letting man demonstrate in so many ways that natural man cannot fulfill all that he needs; but to the contrary, he takes himself to death! The natural man is always an utter failure in the end and is desperate for a deliverer and Savior!

Let us further address this matter of politics—which is in vivid display right now. Highly significant, Yahweh declared to the man Adam, “Because you have listened to the voice of your woman,” and then He cursed him. Well, it can equally be said today, “Because you have listened to the voice of the Democrats, ...” Republicans, you have been henpecked for so many, many years that you have been shamefully useless. But finally Yahweh sent a real man who does not yield to the weaker feminine nature and you are seeing how a real and masculine Republican Party should be. You are the head, and you need to act like it and take your place as the head and work for the good of the people. You need to quit listening to the voice of the woman, the Democrats.

What is happening today in American politics is a most pathetic display of the spirit of feminism. If you want to know what the spirit of feminism is, look at how Dems in Washington, DC, senselessly react purely out of emotions in order to support a cause that is based purely on a power struggle. It is the same as a woman rebelling against her husband or a man rebelling against God. Dems are feminized and want to rule at all costs. Thus, their goal is not for the good of all, what is best for the people or the country, but rather is based solely upon maintaining power. It is pure feminine emotions and not masculine logic and justice and governmental order. And evidencing this corruption, being rooted in Satan, all the more is their commitment to lying and deception, and to lawlessness. Their actions are truly despicable! The feminine Democrats today and their followers are no less than what is written: “It is better to live in a corner of a roof than in a house [or a Senate] shared with a contentious woman. ... It is better to live in a desert land than with a contentious and vexing woman” (Proverbs 21:9 and 19).

The masculine nature is mind, will, and emotions. But the feminine nature is a mirror image of the masculine and operates on emotions, will, and mind. But even more than this, the man, the masculine, is to be the head of the woman, the feminine. I know this flies in the face of a feminized society, but this is indeed God’s will from the beginning. And if you look at the way our nation was at its founding, and even up to 1900, you will see exactly the way it should be—women were not a part of governing. It is the way of Yahweh, and man has corrupted this divine order. The way Yahweh designed the man in relation to the woman, is the same way He designed His relationship to the man. The clear reality of this is succinctly seen in 1 Corinthians 11:3: “But I want you to

understand that Christ is the head of every man, and the man is the head of woman, and God is the head of Christ.” How much clearer could this vital truth be stated? But man today totally ignores this, thinking himself wiser than God. It may be politically and socially correct to alter this, but in fact it is rebellion against God and His fixed ways. And again, this is true with the feminine Democrats and the masculine Republicans.

The Democrats want to rebel against the Republicans,
 Just as the woman wants to rebel against the man,
 Just as man wants to rebel against God,
 Just as Satan wants to rebel against God.
 And it is all rooted in the spirit of rebellion.

Let me point out one other thing about Trump. He is indeed a type of Immanuel, who in every way will put an end to rebellious feminism. Trump is a man with a head of gold. He has been very successful. The Dem feminists, the press, and even the Republicans thought there was no way he could win, but he did against all odds. The coming of Immanuel could be viewed in like manner. Trump is extremely wealthy, as is Immanuel. And the list could go on. And here was one of the key parts, if not the key part, of his campaign. He promised to build the wall. You might ask how that could be a type of Immanuel. Here is why that too is prophetic.

The Dems want illegal aliens to come in for one and one reason only—political power. Oh sure, they act like they are bighearted, but one cannot trust the Dems to be genuine in anything but their lust for power. We have already noted that “America” means the “kingdom of heaven.” OK, doesn’t God invite all of mankind to come into His kingdom? Indeed so. But, Immanuel is not lawless, as are the Dems. The kingdom of heaven is an invitation to all men. But, it is not lawlessness, and His pure kingdom will not be corrupted! Those who are lawless will not ascend alive. And the Dems are like these liberal and worldly churches that turn the grace of God into licentiousness. The reality is, both naturally and spiritually, entrance into the kingdom of heaven/America must be according to the law and IS NOT achieved by lawlessness or for ill gain.

And yes, Immanuel will build a wall, even as we read in Revelation 21:10-21. In fact, just like Trump’s promise, it is “a great and high wall.” And it will be a tall and beautiful wall as Trump promised: seventy-two yards high! And, the “material of the wall was jasper.” Likewise, the foundation stones of the wall were “adorned with every kind of precious stone.” So even the keynote promise that Trump made in the campaign was prophetic of Immanuel. But do the Dems want righteousness and a city four square? NO, not at all. All they want is the power to rule and how to gain wealth, and like Satan they will corrupt this nation in order to get it. And just as the man with the head of gold surprised everyone and won, so will Immanuel surprise everyone, including Christians, and will rule the earth in righteousness.

Presented herein are comparisons of the natural that reveal the spiritual, as well as the utter failure of natural man to fulfill the spiritual. Again, the efforts of man to bring forth the kingdom of God, even the efforts of Christians, all fall short and fail. There is only one thing we need and are desperate for today, and that is Immanuel, God with us. May He send His Spirit as promised, form His Bride, catch her up to heaven and

transform her into the heavenly, and return with her to rule and reign for a thousand years. Come quickly Immanuel! Amen.

Gary

PS: One of the four remaining companies who bid to build the wall stated, "I really believe we'll change history." Amen! Come Immanuel!

Response: Upon reading this report a Bride sister sent the following response. It is well worth your reading:

Dear Gary,

I hope all is well with you and want to thank you for this writing. It confirms and explains so clearly what is going on in America and in American politics, increasingly every day. This feminist spirit is evidently embedded in all facets, beginning with the two-party system on down to the people. Although I've read *The Curse of 1920*, this writing brought forth true understanding how society has become so feminized—from the beginning unto this day—and as you say, the utter destruction it brings with it. I pray daily for the latter rain and Immanuel to come and rule with law and order! Every day I think it just can't get any worse, yet every day brings with it more lies and deception in the natural. But, I do see hope in Trump, prophetically speaking that is. May light expose the darkness that is running rampant and I pray for all those who are fooled by those who seek power and greed at their expense. May Yahweh release them from the grasp it has on them, keeping them blind from this truth. This writing sums up the true ills of the spirit of feminism, and I for one want no part of it.

May Yahweh fulfill your heart's desire which shines through in each and every writing with purity of heart for Yahweh's will to be done,

Gina
