## More On Five and Two

One more time this matter of five and two needs to be examined, this time with regard to the miracle feeding of the five thousand. Uniquely, this amazing account is recorded in all four Gospels, each with essentially the same information: Matthew 14:13-21, Mark 6:30-44, Luke 9:10-17, and John 6:1-14. Immediately following the beheading of John the Baptist, we find this most amazing and highly prophetic testimony, to the extent that later Yahshua referenced it concerning the leaven of false teachings (Mark 8:13-21), which we will also examine. And now relative to all of this, we will address critical matters that affect us at this time.

In the October 30, 2020, Report "The Hope Of Five and Two," we noted the following:

In the last Report ["The Cloud The Size Of A Man's Hand!"], we examined the great significance of the five and two, attested first by the very significant five-and-two testimony when in 2010 I was in England, and in a night vision I clearly saw that the two goes to the five. And, this was the testimony when, most recently, we were back in Africa and taught five times in Nairobi, followed by two times while based in Kisumu. And most significantly was and is the five-and-two pattern of the covenant with the many, whereupon Yahshua's ministry was for three and a half years, immediately followed by the one and a half years of the first Remnant, totaling five years. But today, after the breach of Christianity, there remains the concluding two years of the second Remnant. Again, a five and two.

And now in this most important account of Yahshua's feeding of the five thousand, once again we find this vital and highly impacting testimony of specifically the five and the two where He fed the five thousand with five loaves of unleavened bread and two fish. When Yahshua performed this clearly prophetic testimony, here we find exactly what we have seen evidenced in Kenya per our last trip there where I fed the five and two the miraculous truth regarding the coming kingdom of God. And to add even more relevance to this entire thing and more, of course this is now my fifth time to go to Kenya.

And recently another testimony has spoken with like evidence. Addressed in the "Gary Report" *Tabernacles Pentecost Revisited*, more specifically I noted that James in England, who is called to be one of the latter twelve apostles, was the completion of the [night vision](#) and experience I had in England in 2010 whereby the fulfilling fifth had to be added.

Recently I asked James to come and be with us in this fifth trip to Africa, but he could not come. And let me point out some things that are noteworthy. "James" is a name he added by his own choosing at his confirmation in his Catholic school. His birth name was simply Paul, but he added James, which is why I call him James. So he is now Paul

James, which is on his driver's license and other ID. And, I wanted him coming to Africa as James, for "Paul" cannot provide the pure and greatly fulfilling kingdom. But he could not come.

Even so, there is a "James" coming, and that would be Jim/James McManus. So could the blessing of England James be imparted or fulfilled by Colorado James? This may sound unusual, but before all of this, the Father told James to give Jim \$5,000, and He was very clear about the gift. And Jim has chosen to give that gift to the Bride for the building of the Bride hall.

Spiritually, it appears that through this \$5,000 James gave the fulfillment of the fifth to Jim. And this necessary transfer may have to do with James having the identity of being specifically a Paul James. "Paul" has no right to the fulfilling third-part kingdom. And an amazing thing happened the very day when all of this was unfolding, which was quite affirming that this was in fact happening. On that same day I received for the first time an email from a man in India, and his name was specifically "James Paul." That was all there was to his name. What is the chance of that happening precisely when we were weighing this Paul James matter? So we do believe and hope that Yahweh is going to indeed sovereignly add the fulfilling fifth revealed to me when I was in England in 2010.

So what could this mean for us today? To answer this, we have to go back to the feeding of the 5,000 (or the \$5,000) with five loaves and two fishes. But this time let us now go to Christianity Mark 8:13-21, where we read concerning Yahshua:

Leaving them [the Pharisees], He again embarked and went away to the other side [the other side of the breach of Christianity]. And they had forgotten to take bread, and did not have more than one loaf in the boat with them. And He was giving orders to them, saying, "Watch out! Beware of the leaven of the Pharisees and the leaven of Herod. "They *began* to discuss with one another *the fact* that they had no bread. [Like Christianity, they were natural thinkers and did not know what the Father was doing.] And Jesus, aware of this, said to them, "Why do you discuss *the fact* that you have no bread? Do you not yet see or understand? Do you have a hardened heart? "Having eyes, do you not see? And having ears, do you not hear? [The state of breach Christianity for two thousand years.] And do you not remember, when I broke the five loaves for the five thousand, how many baskets full of broken pieces you picked up?" They said to Him, "Twelve." "When *I broke* the seven for the four thousand, how many large baskets full of broken pieces did you pick up?" And they said to Him, "Seven." And He was saying to them, "Do you not yet understand?"

It is indeed time to understand. The Bride is the unleavened work from five and two, and the feeding of 5,000. And in clear contrast, Christianity is the leavened work, leavened with the false teachings of natural man. And in addition, in feeding the 5,000, it was done so after healing them and they were fed that evening. But when feeding the 4,000, they had been with Him for three days and had nothing to eat. And as addressed [here](#), that bread would have been leavened bread. So obviously, the warning to us today is: "Beware of the leaven of Christianity!" And if Immanuel was to wait three "days," 3,000 years, it would be "Our God, our God, why have You forsaken us?"

Thus, what we will hopefully receive when we go to Africa this fifth time is the transfer of the kingdom from Paul Christianity to the Bride. And Africa, the snake kingdom, which is Christianity, is a most appropriate place for this to occur. Thus, with that transfer, we will have the rights to the kingdom for the next one thousand years. It will be the legal transfer of the kingdom—from that which has been leavened, to now the unleavened. This fifth trip specifically at a [Tabernacles Pentecost](#) on January 8, will hopefully be a marker stone, even the turning point for mankind. And this change is possible because the female Bride births Yahshua back to this earth. Come quickly, Immanuel!
