The Curse On America

One of the remarkable truths uniquely given to the Bride in this critical time is the curse placed upon the black man of Africa when Simon of Cyrene was forced into service to carry Yahshua's cross. This has had far and long-lasting consequences on the black man of Africa, even when they locate to other countries. He too has to suffer affliction. And add to that the curse/iniquity in [Zechariah 3:9](#) where we read, "'For behold, the stone that I have set before Joshua; on one stone are seven eyes. Behold, I will engrave an engraving on it,' declares Yahweh of hosts, 'and I will remove the iniquity of that land in one day.'" You will notice that the engraving is on a land, and that is the continent/land of Africa that clearly bears the image of Satan.

From the time when I first began teaching in Africa, and handed out the [tract](#) about Africa and this curse upon it, there has never been opposition to this. In fact, they understand all too well, and experience the extent and consequences of that curse. And in the five years that I have been laboring in and with and supporting the brothers in Kenya, let me give you just a sample of that horrific and far-reaching and highly impacting curse.

Three of our attorneys were murdered.

Two of Caleb's landlords were murdered. And we had to forfeit \$1,200 of credit for rent and heavy court costs to keep Caleb from being murdered as well.

Twice our car was stolen and they attempted to take it across the border.

Caleb's son and Nyangi were stolen away to be sold on the child trade market, but gratefully the abductors were captured.

Caleb's wife and Nyangi were beaten and raped in their own home.

Three times has Caleb's home been robbed of all items, and once so with Walter.

Caleb's dwelling was gutted with a fire, losing everything.

Caleb and another man were poisoned. The man died and Caleb remained alive.

The attempted murder of me and others failed when we went into the slums.

We have taken twenty-six people to court and they were all found guilty and put in jail.

Numerous times have the brothers had Malaria, and had other health needs.

Caleb was shot in the leg from rioters and another brother was killed and our car was severely damaged.

There have been numerous threats on Caleb's life.

Elderly John Jowie was attacked while riding on a motorbike when going out to teach, and would have been killed but someone came along and the assailants fled.

The Bride office has been broken into and robbed.

Our night watchman at Caleb's residence was beaten and died.

Another night watchman, a policeman, shot and killed an intruder in a gun battle and shot and took another man into custody.

Caleb and two other men were attacked while driving at night. The abductors blew out two tires and shot at the car, then stripped the brothers naked, but were scared away by an oncoming car. Amazingly, the driver stopped and was even a pastor who had heard Bride truth before.

The number of people around the brothers who have died is many.

Twice Caleb got river blindness and lost his sight.

A mob came in daylight and robbed Caleb's house and violently attacked him and three other Bride brothers.

Caleb's wife was hit with an iron bar by a man on a motorbike, breaking her leg.

One of our attorney's two children were taken by force because of his representing us, but gratefully they were later found at the border of Tanzania.

Countless times have the brothers been put in jail on false charges and unknowingly violating coronavirus restrictions, each time costing us hundreds of dollars to get them out. These costs have been in the thousands.

At one large teaching, a busload of Bride brothers were arrested and put in jail because the bus did not have seat belts. Tell me the justice in that. We paid to get them out of jail so they could attend the teaching.

In one of the times when Caleb was in jail for no good reason, they beat him with a board.

Our mechanic's two children were murdered while at home alone in Rongo.

How would you like to live in Africa? And, there have been many, many, many, many more tragic events like these in the last five years—so much so that they would have

buried us alive if the Father did not provide and protect. It is a complete miracle that we have even made it, and I am very tired at this point.

So one would ask: Why do you stay? The answer: In the hopes of defeating Satan and receiving the latter rain outpouring of the Holy Spirit. And I hope my fifth trip there can provide this. But again, I am very tired and question if I have the strength to continue fighting this hard and grave fight if we do not hereupon receive power from on high as promised to the second Remnant—the first Remnant having already received their outpouring. This desired completion is foreshadowed when the Holy Spirit fell on those in Cornelius's household, which Peter later described as: "the Holy Spirit fell upon them just as *He did* upon us **at the beginning**" (Acts 11:15). The Holy Spirit needs to fall upon us today as at the beginning.

Undoubtedly all of these things and more relating to Africa are an intercession, even identification, concerning the church for two thousand years. Satan has corrupted the church, and most certainly taken man, even kingdom man, to the grave, and has grievously afflicted him. And that battle has most certainly been lived out in the last five years in Africa—an intercession that has brought me to great weariness. And something has to give.

And speaking of weariness and potential great destructive harm, America, the kingdom of heaven at the nations level, is standing at a like great precipice. Like Satan, the Democrats are great liars and thieves, and they will do and say anything to get power. At the nations level, it is equally the contest between good and evil, between truth and lies, between light and darkness, even between male and female. From the 2016 election between Trump and Hillary, that battle has raged! It is a clear repeat of the Garden of Eden. On the one hand there was the man, who was not deceived, but the woman was greatly deceived (1 Timothy 2:14). And it was the woman who listened to the serpent. But this time in the case of this election, the man, Trump, is not listening to the weaker woman. And how long would it be before Biden gives way to Harris? She is just biding her time. God forbid!

But where did all of this corruption begin? It began with Obama. This curse that will destroy this nation began when a cursed black man entered into the White House. Thereby the curse on Africa was imparted to America, and clearly it would all the more be so if the black woman of Africa, Harris, steps into the presidency—guaranteed! And then there is evil Pelosi as well. It is the Garden of Eden all over again, and the outcome would be the same—loss and the death of a nation! And it just so happens that during this great test, the Bride will be meeting in Africa. In fact, when the electoral vote is being counted on January 6, and pivotal decisions are being made and some of these issues critical in America are being worked out, we will actually be driving to Rongo from Nairobi. But in reality, per Eastern Time we will be traveling eight hours before you. Pray that Yahweh intervenes in this most, most critical time for this nation! We need a miracle!

Now, does this mean that every black person speaks of this curse? No. Look at Clarence Thomas. He is in fact a blessing and source of truth and justice, just like the Bride brothers in Africa are so. But Obama and Harris are death and destruction to this nation. And hopefully, in Africa we will see the removal of that curse, that iniquity, as

it is written: “and I will remove the iniquity of that land in **one day.**” And hopefully the same victory will occur in America, the kingdom of God at the nations level.

So there are two curses that need to be broken—the curse off of the black man of Africa, and thereby, or even thereupon, the curse off the black man of America. Our nation is at a critical, critical place, one that would lead us down a path of destruction where there is no return! This is the most critical time in all of American history where we are not defeated by an external enemy, but are destroyed from within! Just look again at the list of accounts we have seen and experienced in the last five years in Africa, and tell me that this corruption and loss is the way we want to continue. Pray for Africa. Pray for America. Pray too that Yahweh will reverse the same curse on His kingdom and that the serpent, Satan, will be bound. We fearfully look to the Father with hope.
