

The Plan of Yahweh for All Mankind

We are getting ready to enter into a most, most unusual period of the church. Of course, the church was begun by none other than the son of God, Yahshua. His presence was for three and a half years, and governmentally established a twelve-man structure, in other words, the twelve apostles. Unfortunately, when He left, they made the blind presumptuous mistake of casting lots to replace Judas. Here is a question: Did Yahshua cast lots for the disciples? No indeed! The fact is, that office would lack a man, and would not be replaced until just before Yahshua's return so as to prepare His way. And keep in mind, there are in fact twenty-four elders around the throne, and of these, the latter twelve are added at His return.

Let us now examine the critical placement of the structural order of the kingdom of God, the church, and these are found in Zechariah 4—the **most important** source of Scriptures in the Bible for knowing and understanding what God is doing in setting forth His kingdom. And what is the symbolism that He set forth/followed? It is:

Olive Tree – Lampstand – Olive Tree

But the vital question arises: What do they represent? Looking back, we now know the answer. It is the three parts of the kingdom of God, the church. And following this set pattern, those three critical parts can be identified:

First Remnant – Christianity – Second Remnant

And let me digress on this, for it is MOST important to know, and to recognize exactly what it is! What is this the pattern of? It is the vital pattern of the church over 2,000 years, that being the male body of Christ passing between the split parts of the female bride. And there is no question that the matter at hand is indeed fruitfulness! Even bringing forth the kingdom of God. And we must ask: Has Christianity succeeded? And the answer is, only in part. Christianity was not a good replacement for Yahshua, other than in His affliction. And do remember, Christianity is masculine! Thus, they can never bring forth Yahshua back to this earth. Never! And, even Mary's ability for fruitfulness was a miracle. And that we now need once again!

Now, there is some overlap between each of these three parts. The first Remnant was of course the apostles, and all of those who believed, which numbered over 5,000. But, because of persecution, within a year and a half, they had all departed, leaving only the apostles in Jerusalem. Thus, and significantly, that first work was now gone!

And next in order came the effectual work of the apostle Paul, etc., as Christianity spread throughout the world! And what is the testimony concerning Christianity? It's clear and simple. The founder thereof, at its very foundation, was blind for nothing less than

THREE days! And the church is supposed to get 3,000 years. Needless to say, IT CANNOT CONTINUE! God must cut time short, lest NO man be saved!

And as you can see, there MUST be yet another Olive Tree work that comes out of corrupted and defiled Christianity! And it must be distinctly different, just as the first Remnant was. The original Protestants sought to be such. But they were "before the time," too early, as they rightly protested the church. And there have been many, many like others, all the way to this very day, who have tried to improve it. BUT, clearly, the entire 2,000 years of Christianity have been nothing less than the 2,000 swine that ALL went down into the sea of death (Mark 5:1-13 and Luke 8:26-33)! Entirely confirming this, Satan had to ask permission to even take them to death. If they were just pigs, Satan would not have had to ask permission to take them to their deaths! Folks, wake up! It's Christianity!

And might we add a second witness regarding pigs, as it relates to Christianity? Do you recall the prodigal son who received his inheritance early, before the time (Luke 15:11-32)? And with loose living he squandered it; and there was a severe famine and he became impoverished and ate with the pigs in the field. And frankly, based on this parable, that is what Christians eat. And once he came to his senses, necessarily he went to his father, even as we will go to the Father, and His table will be plenteous! Brothers and sisters, swine Christianity does not have the answers.

And if this isn't already enough evidence, the third witness regarding swine Christianity is this. It was Antiochus IV who carried out the desecration of the temple in Jerusalem. He marched into the temple, and sacrificed none other than a pig! And equally remarkable, this desecration continued for 3 years! And amazingly, 1 Maccabees, chapters 1 and 4, implies that the temple desecration was for 3 years, while 2 Maccabees 10 suggests the time was only 2 years. And most, most certainly, this swine Christianity defilement of the Temple must be cut short from 3,000 years to 2,000 years! Amen and amen! How much more evidence do we need? How does this tie to Christianity? Where did Saul/Paul begin Christianity? In nothing less than at Antioch, named after this same Antiochus. And Antioch became the base for Paul's ministry, and numerous early church councils were centered there. Amazing, amazing evidence!

Now you ask, "Why could Christians be equated with swine?" It's very simple, and very important. There are two qualifications for being clean: they had to chew the cud, and split the hoof. Pigs split the hoof, but they do not chew the cud. Thus, they are unclean. What is chewing the cud? It is taking the food into the mouth, chew on it, swallow it, and then bring it back up to its head. There they chew on it some more, and then swallow it again. But still they are not satisfied, so once again it is brought back up to the head, and this practice is repeated over and over and over again, until it is fully sufficient.

Now, as you can see, what does this tell us concerning God's governmental order in declaring that ruminants are clean, beginning with the two-part Remnant? Make no

mistake, it will be prophetic and governmental regarding the church! The answer is clear. In this scenario, what is the process that the food takes in order for digestion? First, it goes into the mouth where it is chewed. Then, it is swallowed and descends into the belly. But that is not the end, for it then repeats this, and proceeds back into the mouth. Do you see what is going on here, thereby qualifying this animal to be clean before God? The food is ascending and descending, ascending and descending, qualifying it to be clean. And most importantly, this was a type whereby when we enter into our born-from-above bodies, we will ascend into the heavens, and descend back to earth, ascend and descend, ascend and descend. Thus, we ourselves, the two Remnants, the former, and more specifically the latter, will fulfill chewing the cud! Amen! It is amazing how Yahweh made all of these governmental testimonies that prophesy! Just think what is instore when we enter into our born-from-above bodies! Wow!! What a joy and wonder that will be! Ascending and descending, ascending and descending, ascending and descending! Fully knowing the will of God!

Mary will once again say to Yahshua, "They have no more wine." And yes, it will not be His hour to come, as He said once before, this time being a thousand years too early. But Mary will say to the servants, "Do whatever He tells you." And, He will tell them, "Fill the jars with water"; and they will fill them to the brim, and it will be turned into wine! And the master of the banquet will proclaim, "Everyone brings out the choice wine first, and then the cheaper wine after the guests have had too much to drink; **but you have saved the best till now**" (John 2:1-9). Amen, and indeed a glorious amen! So, so much having been awaited for! And so be it Father, and come soon our Master! Very soon!

Even though Christianity should receive the next thousand years, there is no way it can be given to them. ABSOLUTELY NO WAY! Instead, it MUST be given to the Bride. The pattern is set: Olive tree, Lampstand, and now the essential culminating second Olive Tree! And, examining further this clear evidence regarding the pigs, keep in mind, the weary son longed to eat with them, but that was not an option. Finally, he "came to his senses" and returned home! Are you tired of eating with the pigs, who split the hoof, but do not chew the cud? And what again is chewing the cud? For the clean, it is ascending into heaven, then descending back to the earth, ascending into heaven, and again descending, ascending and descending. That, is what we all, at some point, must arrive to! But first, we MUST be born from above! And put yourself in this next verse. "But while he was still a long way off, (and boy it has indeed been a long, long way), his father saw him and was filled with compassion for him (AMEN AND AMEN!), he ran to his son, threw his arms around him and kissed him." That is the event that awaits before us! And that we so desperately, desperately need to be fulfilled! Desperately! Again, if those days are not cut short, NO FLESH will be saved! May the Father move soon. Amen!

“Unless those days (of breach Christianity) had been cut short (from 3,000 years to 2,000 years), **NO** flesh would have been saved. **BUT** through the elect (the Bride), they will be cut short.” - Matthew 24:22 and Mark 13:20

Amen and amen! And clearly, here again in Zechariah 13:7-9 is what the Father performs over a 3,000 year period!

Awake, O sword, against my Shepherd (Yahshua),
against the one who is my associate.
Strike the Shepherd that the sheep (the first Remnant)
may be scattered (they were literally all scattered);

I will turn my hand against the little ones (Christians).
In all the land,
two thirds of them (the 2,000 swine) will be cut off and perish,
and one third will be left.

I will bring the one third through the fire (the Millennial Reign);
I will refine them as one refines silver,
and I will test them as one tests gold.
They will call upon My name, and I will answer them;
I will say, “They are my people,”
and they will say, “YAHWEH is my God.”

In this latter culminating thousand-year period that we are now in, the Bride is called out to rule and reign with Immanuel. And clearly, this two-part Bride will now be in their born-from-above bodies that Yahshua is in—the first from all mankind. Amen! And keep in mind, the first of all mankind going all the way back to the Garden, will be last, and the last will be first (Matthew 19:30 and 20:16).

I part from here with a most, most puzzling set of nagging questions. Why, why must there be male and female for fruitfulness? It’s not that I dislike it, but why the two sexes? Why was that necessary? And why, why must there be good and evil? And why do we have the choice as to what we will do and follow? And why did the Creator place Satan, the twisted serpent, on this earth? And why is the twisted serpent the sperm of the man? And if we want offspring/fruitfulness, there is no other route we can go! We must take the serpent. In fact, our world is even dominated by the serpent. He is the god of this world where we live! And he even tempted the Son of God, but failed! And in this tree of the knowledge of good and evil, when do we escape the evil? And, add to these questions, even our own frail bodies. It will be great to get out of them, REALLY great, and into the heavenly, and to be born from above! Amen! And how long will this transition take for the whole of mankind? Wow!
